

ST. FRANCIS XAVIER UNIVERSITY PRESENTS

ADVANCED NETWORKS

Opportunity for Innovation

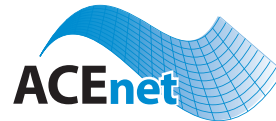

THURSDAY, MARCH 4, 2010
DENNIS HALL, COADY INTERNATIONAL INSTITUTE

Presented by St. Francis Xavier University and ACEnet in partnership with Atlantic Canada Organization of Research Networks in Nova Scotia (ACORN-NS) and CANARIE Inc., Canada's Advanced Research and Innovation Network.

This unique event aims to bring together university researchers, network experts, business people and leaders in local community development to showcase the opportunities that are being created by advanced networks in Nova Scotia in both research and community economic development.

Date: Thursday, March 4, 2010
Time: 9 am – 12 pm
Location: Dennis Hall,
Coady International Institute
St. Francis Xavier University
